

TLI Group— Landscaping, Concrete and Irrigation

From irrigating your yard to installing distinctive custom curbing throughout your garden, there is a multitude of ways to enhance the beauty of your home. We want you to think of your garden as an outdoor living room and a place you want to be the entertainment centre of your home. At the TLI Group, once we complete your landscaping project, that's just the beginning of our relationship with you. We're also available to provide maintenance to you to help you keep your property looking the best it can be. With trained staff and a full range of equipment at our disposal, we'll make sure your grass will be mowed and your snow is cleared. You can relax and enjoy the view.

Here are some of the services that TLI can offer you:

Aquatech

Have our professionals install and maintain an irrigation system for your yard. Get the right amount of water on your lawn and garden and watch it grow.

Residential Maintenance

Spring and Fall clean-ups, scheduled weekly lawn cuttings, flower and shrub bed maintenance and in season, snow removal are just part of the maintenance services The TLI Group can offer you.

Custom Curbing

When you want a clean, professional look for your front walkway or a border for your backyard or garden, custom curbing is the way to go. Distinctive Edge is a member of the TLI Group, offering the complete spectrum of landscaping services.
